

P095 (11.06 PP)

Risk factors for urinary tract infections in a population of 4332 Belgian schoolchildren aged between 10 and 14 years

E. Bakker, J.D. van Gool, M. van Sprundel, J.C. van Der Auwera, J.J. Wyndaele, Belgium

P096 (11.07 PP)

Prevalence and impact of nocturnal enuresis in Malaysia - a comparison between other Asian countries and the West

Y. Kanaheswari, Malaysia

P097 (11.08 PP)

Nocturnal enuresis (NE) in healthy 8-year-old school children from east coast of Malaysia: prevalence and parental perception

N. Abu, N. Zainal, H. van Rostenberghe, A. Nasir, Malaysia

P098 (11.09 PP)

Misconception of nocturnal enuresis among a Chinese population

F.K.Y. Sit, A.W.F. Chan, J.W.H. Liu, C.K. Yeung, Hong Kong

P099 (11.10 PP)

Bed-wetting in Taiwanese children: epidemiology and related factors

Y.J. Chang, H.L. Tai, S.H. Huang, J. Lin, K.H. Huang, H.J. Jiang, M.Y. Yen, B.F. Wang, C.P. Chang, Taiwan

P100 (12.01 PP)

Ultrasound bladder measurements in patients with primary nocturnal enuresis: a urodynamic and treatment outcome correlation

C.K. Yeung, V. Leung, B. Sreedhar, C. Metreweli, Hong Kong

P101 (12.02 PP)

Long term efficacy and predictive factors of the full spectrum therapy for nocturnal enuresis

M. van Kampen, G. Bogaert, L. Claessen, E. Akinwuntan, W. De Weerd, Belgium

P102 (12.03 PP)

DDAVP in enuresis: long term follow up

T. Barlow, S. Hofman, P. Hoebeke, A. Raes, E. van Laecke, J. Dehoorne, J. Vande Walle, Belgium

P103 (12.04 PP)

Intermittent oral desmopresin therapy for mono-symptomatic primary nocturnal enuresis

C. Akbal, S. Tekgül, S. Ekici, A. Ergen, M. Bakkaloğlu, Y. Erkan, Turkey

P104 (12.05 PP)

Combination therapy of oxybutynin and desmopressin in children with primary nocturnal enuresis

T. Lee, K.H. Lee, H.J. Seo, Korea

P105 (12.07 PP)

Imipramine in therapy-resistant enuresis; prognostic indicators

S. Gepertz, T. Nevéus, Sweden

P106 (12.08 PP)

The effects of alarm treatment on the functional bladder capacity in children with monosymptomatic nocturnal enuresis

G.M. Hvistendahl, K. Kamperis, Y.F. Rawashdeh, S. Rittig, J.C. Djurhuus, Denmark

P107 (12.09 PP)

Baseline results: randomised trial of bladder training vs enuresis alarm vs bladder training plus enuresis alarm among children with nocturnal enuresis

C. Bryant, G. Fairbrother, Australia
