

Dietrich Bonhoeffer Day

The Bonhoeffer Day intends to bring together people who are interested in the life and work of Dietrich Bonhoeffer (1906-1945), theologian, pastor and fighter against Nazism.

The Bonhoeffer Day is addressed at everyone interested in Dietrich Bonhoeffer: scholars and non-scholars, theologians and parish members, people from all backgrounds and churches.

There will be presentations from scholars as well as workshops where extracts from Bonhoeffer's texts are read and discussed.

The Bonhoeffer Day also offers fellowship: interaction, discussions, food (German cakes and soups!) – and, of course, music!

The language for the Bonhoeffer Day is English.
