

## **ERRATUM**

**WILEY**

The Version of Record of Denoo, Yli-Renko, and Clarysse (2021), “The Impact of Customer Ties and Industry Segment Maturity on Business Model Adaptation in an Emerging Industry,” was published online on March 24, 2021, ahead of inclusion in an issue. Due to a technical error made by the publisher on June 11, 2021, the issue information published within *Strategic Entrepreneurship Journal* 15(2) was published under the DOI that was already registered to Denoo et al (2021). This resulted in the original article becoming temporarily unavailable on Wiley Online Library.

The issue information for *Strategic Entrepreneurship Journal* 15(2) is now available at: <https://doi.org/10.1002/sej.1405>

The original article is once again available at: <https://doi.org/10.1002/sej.1400>

The error was rectified on July 2, 2021.

The publisher apologizes for this error.
